

# SI Cards at JK2017 - Relays

## SIAC card

Numbered  
8000001 to 8499999

Contactless punching at controls and Finish, dib elsewhere

(battery check made when issued)

**Clear Box (dib, wait for beep)**

**First Check Box (dib, wait for beep)**

- Checks card is cleared
- Logs who has started
- Enables confirmation that SIAC is with correct person & team
- Activates SIAC battery (card flashes faint green every 10 secs)

**Blue Validation Box (Swipe)**

- Confirms battery in SIAC is activated
- SIAC will flash red and beep 3 times
- If it does not flash red and beep, then you will need to go through the Check Box again.

**Collect Map**

**Leg 1: Timed Start**

**Legs 2 & 3: Start after handover**

- No dibbing

**Mini Mass Start Only  
Punching Start**

- Dib to start

**Control Box**

- Swipe within 50cm
- SIAC will flash red and beep 3 times<sup>1</sup>
- Control will **not** flash or beep.

**Finish Box**

**Incoming Lap 1 & 2 runners**

- Swipe Finish box which flashes and beeps
- SIAC will flash red, beep and turn off (Green light in card no longer flashes)
- Continue & handover to outgoing runner

**Incoming Lap 3 runners**

- Cross Finish Line
- Dib** Finish Box in finishing order

- Dib at download
